ABOUT US

The Peninsula Youth Music Society was formed in 1980 as a special enterprise for Music '81 to provide opportunities for young people on the Peninsula to join in the fun of learning and making music with others. It has been successfully operating for over 35 years.

The Peninsula Youth Music Society is a not-for-profit organisation run solely by a dedicated group of volunteers.

The Society also provides an orchestral program (for students currently undertaking instrumental music tuition) that runs on Wednesday evenings during the school terms in Mornington, and a Summer Music School in January each year.

SATURDAY MORNING MUSIC SCHOOL

PROGRAM OVERVIEW

This program is for children in Prep to Grade 3. It is designed to develop skills needed for instrumental studies through listening and responding to music. Students participate in three sessions during the morning of singing, movement, and playing percussion instruments.

Sing Out Loud

A fun singing based program that aims to teach children to sing independently and tunefully. Their voice is their first instrument. Children will start to read music through songs, games and rounds. In the second year of the program some children will be given the opportunity to make music through Recorder.

Beat It!

An exciting percussion program where the children will learn to perform in an ensemble on a variety of instruments including xylophones and drums. Many musical concepts are explored like rhythm, pitch, beat and tempo.

Now You Can Dance

A performance based program using movement and dance, the students will be encouraged to express themselves and produce on stage performances. Dance encourages rhythmic development and group experience.

Students progress through three stages of learning based on age and experience. Students with developed skills will be invited to join the PYMS Saturday Morning Music School Grade 4 - 6 Instrumental Program.
